¹ Enrollment data is given based on the time students entered the career. The column “7th+” indicates regular students that surpassed the minimum duration of the program (six years).

² In our program the Bachelor’s degree (Licenciatura in Spanish) is conferred after the 4th year.

³ In our program the Professional License (Título Profesional in Spanish) is equivalent to the P.L conferred in the U.S. after a final year of internship in the industry.

⁴ This row gives the number of master students that have finished the M.Sc. in Engineering with mention in Civil Engineering.

Give official fall term enrollment figures (head count) for the current and preceding four academic years and undergraduate and graduate degrees conferred during each of those years. The "current" year means the academic year preceding the on-site visit.

FT—full-time

PT—part-time
